Notice of Intended Action

Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1)"b."

Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code section 100B.10, the State Fire Marshal hereby gives Notice of Intended Action to amend Chapter 251, "Fire Fighter Training and Certification," Iowa Administrative Code.

The Fire Service Training Bureau administers a certification program for fire fighters in Iowa. The certification process maintained by the Fire Service Training Bureau is accredited by the International Fire Service Accreditation Congress (IFSAC). While certification is not a state requirement to work as a career or volunteer fire fighter in Iowa, some fire departments do require such certification for employment or for continued employment.

Certification is based upon satisfactory completion of training and testing which is in turn based upon standards published by the National Fire Protection Association. These nationally recognized standards are periodically updated, and adoption of the new editions of the published standards is required for continued accreditation of the certification program by IFSAC. The amendment proposed herein updates various standards for certification in areas by the Fire Service Training Bureau to current editions of the relevant standards.

A public hearing on this proposed amendment will be held on October 15, 2009, at 9 a.m. in the First Floor Public Conference Room (Room 125), State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319. Persons may present their views orally or in writing at the public hearing. Persons who wish to make oral presentations at the public hearing should contact the Agency Rules Administrator, Iowa Department of Public Safety, State Public Safety Headquarters Building, by mail, by telephone at (515)725-6185, or by electronic mail to admrule@dps.state.ia.us, at least one day prior to the public hearing.

Any written comments or information regarding this proposed amendment may be directed to the Agency Rules Administrator by mail or electronic mail at the addresses indicated by 4:30 p.m. on October 14, 2009.
